Directions to La Jolla Shores Parking Lot

Note: La Jolla Shores does not work in most GPS units. "La Jolla Shores Beach" is usually accurate.

From I-5 North or 52 West:

From I-5 N or 52 W take the exit onto La Jolla Parkway. Follow La Jolla Parkway up and over the hill and make a right on La Jolla Shores Dr. (just after the gas station and Starbucks). Follow La Jolla Shores Dr. and turn left on Calle Frescota. Follow Calle Frescota to the La Jolla Shores Parking lot.

From I-5 South:

Take I-5 South to La Jolla Village Drive. Turn right (west) on La Jolla Shores Drive. Follow La Jolla Shores Drive up the hill and turn left on Expedition Way (toward Birch Aquarium). Just before Birch Aquarium turn right on Downwind Way. At the T turn left on Downwind Way. Turn left on La Jolla Shores Drive. Follow La Jolla Shores Drive and then turn right on Calle Frescota and follow this road to the La Jolla Shores parking lot.

Once you have parked, walk north along the beach (toward the pier). Walk under the pier and up the ramp on the right past the SIO Diving Locker. Meet at the gated entrance to the pier.
